CSRA Kids Splash Dates - Evans

Introduction

CSRA Kids is an online family magazine that focuses on the Augusta Metro/Aiken County area. We're a digitally-native, mobile-first, social media friendly publication that is designed to meet the needs of an evolving media landscape.

We were conceived out of a desire for parents to be able to navigate all the opportunities available to their family in the CSRA. So we sought out to create a one-stop shop to everything kid related in the area.

We put a strong emphasis on new media tools like social media and video — engaging directly with parents and cultivating communities that drive engagement and reach.

Founded in 2017, CSRA Kids has quickly become the most-read, most-valued family magazine in the CSRA.
